Jack Minyard is a private eye down on his luck. He's badly overweight and on the wrong side of sixty. He's lost his marriage, and maybe a little of his mind, too. After narrowly escaping charges in a statewide fraud and money laundering scandal, Jack has been working private contracts and counting on the kindness of strangers (not to mention a pile of prescription drugs) to get by. In a last-ditch play to resurrect his career, Jack takes on a case ...

Winner of the 2015 Banff Mountain Film and Book Festival award for Mountaineering History

After the Second World War a period of relative calm began in Josip Broz Tito's Yugoslavia. During the next thirty years citizens could travel freely if they had the money. Most did not, but alpinists did.

Through elaborate training régimes and state-supported expeditions abroad, Yugoslavian alpinists began making impressive climbs in the Himalaya as early as 1960. By the '70s, they were ascending the ...

“Métis”

Race, Recognition, and the Struggle for Indigenous Peoplehood

by Chris Andersen

EDITION: [Paperback](#)

ALSO AVAILABLE: [Hardcover](#) [eBook](#) [eBook](#)

tagged : native american studies, discrimination & race relations

Ask any Canadian what “Métis” means, and they will likely say “mixed race.” Canadians consider Métis mixed in ways that other indigenous people are not, and the census and courts have premised their recognition of Métis status on this race-based understanding.

According to Andersen, Canada got it wrong. Our very preoccupation with mixedness is not natural but stems from more than 150 years of sustained labour on the part of the state and others. From its roots deep in the colonial pas ...

Much critical scholarship has detailed the punitive effects of accusations that lead to criminalization. Less well documented is the founding role that accusation plays in creating potential criminals. In an attempt at redress, this collection foregrounds how ideas and rituals of accusation initiate criminalization processes. It offers various perspectives on the mechanisms by which legal persons come to be identified as suitable subjects for criminal justice arenas. By analyzing how criminal ac ...

Much critical scholarship has detailed the punitive effects of accusations that lead to criminalization. Less well documented is the founding role that accusation plays in creating potential criminals. In an attempt at redress, this collection foregrounds how ideas and rituals of accusation initiate criminalization processes. It offers various perspectives on the mechanisms by which legal persons come to be identified as suitable subjects for criminal justice arenas. By analyzing how criminal ac ...
