The Flour Peddler

A Global Journey into Local Food

by Chris Hergesheimer & Josh Hergesheimer

EDITION: Paperback

tagged : agriculture & food

In 2008, a small-scale flour miller from British Columbia's Sunshine Coast created a handmade bike mill to attract a dedicated farmers' market following. Chris Hergesheimer wanted to challenge the belief that there is only one way - the big way - to grow, process and market grain and flour. For Chris and his family, it wasn't about profit, but connecting a community to its food producers for better health, lower impact on the environment, and the kind of flapjacks only fresh-milled flour can mak ...

Reimagining the Indigenous Rainforests of BC's North Coast

by Derrick Stacey Denholm

EDITION: eBook

ALSO AVAILABLE: Paperback

tagged : essays, indigenous studies, forests & rainforests

Derrick Stacey Denholm has spent twenty-five years as a forestry field worker, planting trees, marking cutblock boundaries and timber-cruising. In *Ground-Truthing*, he combines this experience with his perspective as a poet and artist to guide us through the tangle of social, ecological and economic slash piles that dominate BC's North Coast. Scientists, poets, loggers, activists, mushroom hunters—*Ground-Truthing* explores this diverse terrain of communities and cultures in its search for an a ...

A World for My Daughter

Ecologist's Search for Optimism

by Alejandro Frid

EDITION: Paperback

tagged : environmental conservation & protection

As an ecologist, Alejandro Frid is haunted by the irrevocable changes that humans are forcing upon Earth—the loss of ancient forests, the demise of large predators, shifts in the chemistry and circulation patterns of the atmosphere and more. Feeling completely discouraged by his research on endangered species and various forms of ecological meltdown, Alejandro accepts defeat and simply escapes from this world without a future by retreating to Earth's few remaining wild places. Then Twyla Bella, ...

Terra Preta

How the World's Most Fertile Soil Can Help Reverse Climate Change and Reduce World Hunger

by Ute Scheub; Haiko Pieplow; Hans-Peter Schmidt & Kathleen Draper, foreword by Tim Flannery, translated by Jamie McIntosh

EDITION: Paperback

tagged : environmental conservation & protection, organic, environmental (see also environmental science), soil science

Terra preta is the Portuguese name of a type of soil which is thought to have almost miraculous properties. The newspapers are flooded with reports about black gold,” scientists believe that two of the greatest problems facing the world climate change and the hunger crisis can be solved by it. The beauty of it is that everyone can do something about it because since 2005 the secret of producing this black soil has been revealed and it is a secret that seemed to have been lost foreve ...

Terra Preta

How the World's Most Fertile Soil Can Help Reverse Climate Change and Reduce World Hunger

by Ute Scheub, contributions by Kathleen Draper; Haiko Pieplow & Hans-Peter Schmidt, foreword by Tim Flannery

EDITION: eBook

tagged : environmental conservation & protection, organic, environmental (see also environmental science)

A thorough look at the many benefits of the ultra-fertile soil called terra preta and instructions on how to make it.

Terra preta, meaning “black earth” in Portuguese, is a very dark, fertile soil first made by the original inhabitants of the Amazon Basin at least 2,500 years ago. According to a growing community of international scientists, this ancient soil, sometimes referred to as biochar, could solve two of the greatest problems facing the world: climate change and the hunger crisis. T ...

Heart of the Raincoast

A Life Story

by Alexandra Morton & Bill Proctor

EDITION: Paperback

ALSO AVAILABLE: Paperback eBook

tagged : environmental conservation & protection

Billy Proctor has spent his life doing the time-honoured work of generations of upcoast men—handlogging, fishing, clam digging, repairing boats, beachcombing. Then Billy began to see that the coast he loved was dying around him. The thriving runs of Pacific salmon, oolichans and herring that he could remember from his early years were vanishing—some to near extinction—and he understood that it was time to give something back.

Heart of the Raincoast is the story of Billy Proctor's life, an ...

Explore the Wild Coast with Sam and Crystal

by Gloria Snively, illustrated by Karen Gillmore

EDITION: Hardcover

tagged : environment, marine life, imagination & play

A beautifully illustrated story that teaches children about marine biology and the coastal environment of BC and the Pacific Northwest.

Sam and Crystal travel with their Aunt Kate and Uncle Charlie to a remote location on the Northwest Pacific Coast. Along the way, they see white-sided dolphins, killer whales, tufted puffins, bald eagles, harbour seals, sea lions, sea otters, crabs, sea stars, and much more. Through the character of Aunt Kate, a retired marine biologist, the children explore basi ...

Beckoned by the Sea

Women at Work on the Cascadia Coast

by Sylvia Taylor, foreword by Renée Saklikar

EDITION: Paperback

ALSO AVAILABLE: eBook

tagged : women's studies, oceans & seas, women in business

A rich and diverse tapestry weaving together the many voices, narratives, skills, and talents of women up and down the coastal Pacific Northwest who devote their lives and careers to the sea.

Beckoned by the Sea celebrates coastal women from northern BC to northern California who work on or with the sea. The twenty-four women featured in this inspiring and fascinating book represent a variety of industries—from conservation, commercial fishing, and marine biology to safety and rescue, tourism, ...
